### Program highlights and underwriting requirements

#### Minimum Premium Workers' Compensation

- ✓ Owner is excluded from coverage
- ✓ The business has no employees, day laborers, or subcontractors (1099ers)
- ✓ No midterm audits (renewal audit to verify compliance with program rules)
- ✓ Stable market - no rewriting with Assigned Risk Program year after year
- ✓ Rejection/Exclusion form required in applicable states
- ✓ Waiver of Subrogation available upon request (additional premium required)

Note: If during the policy period the owner hires employees, subcontractors (1099ers), or day laborers, we must be notified of payroll. Premium will be adjusted upon renewal and the insured will be moved to the Plus program.
